

I'm a Miracle Home

What is a Miracle Home?

The RE/MAX® Miracle Home and Miracle Property Program are unique to RE/MAX agents. Listing your home as a Miracle Home means that your RE/MAX agent will make a donation on your behalf after the transaction closes.

Where do the donation funds go?

Donations stay local. Your RE/MAX agent's contribution will go to your local Children's Miracle Network Hospital®, which will use the funding where they need it most – equipment, research, or charitable care.
